

Saint Patrick's Church, Victor NY

A Christ-centered
response
to Coronavirus

**Let us keep each other healthy and safe,
with much charity and patience,
with proper hygiene and social distancing.**

We ask you to please,

1. Sanitize your hands prior to entering the church.

- Hand sanitizer is found at the church entrances.
- You are encouraged to bring your own hand sanitizer, in case you need it while inside the church.

2. Wear a face mask or covering.

- Please do the same during the celebration of the Sacrament of Penance and Reconciliation.

3. Observe the limit of 10 persons.

- During Eucharistic Adoration, be mindful that you give others the time to come in and pray.

4. Observe social distancing, 6 feet apart.

- Only occupy open pews.
- Be attentive to the 6 feet markings on the floor.

5. Do pray for a safe resumption of public worship and for an end to the pandemic.

- Set your alarm for 3 PM daily, and join us in praying a "Hail Mary." Do include these intentions in your daily prayer.

THE CHURCH IS OPEN.

**Monday-Friday
7 am - 4:30 pm**
